

# SMITH PERFORMANCE SPRAYERS HEAVY-DUTY BACKPACK SPRAYER S3E-V

The Smith Performance Sprayers Heavy-Duty Backpack Sprayer is a multi-use professional sprayer that combines versatility and performance. Equipped with an 18 V lithium-ion battery and FLOIQ™ variable flow technology, this powerful unit can pump up to 190 Litres of liquid per charge whilst maintaining consistency throughout each application.

With ease of use and durability at its core, this sprayer includes a heavy-duty, kink-resistant hose, poly-lined stainless steel wand and ergonomic padded harness. Its triple filtration system will reduce potential clogging, allowing for continuous operation.

This backpack sprayer is fitted with chemical resistant seals and heavy-duty components making it suitable for use with a wide range of chemicals commonly used in industries such as cleaning, construction, turf and agriculture, pest control and many more.
